

Pictanovo supports creativity in Hauts- de-France

230 works supported every year.

8.6 million euros invested in co-production through
8 dedicated funds: feature films and TV films, short films,
video games, animation, documentaries, new media,
emerging talents and editorial program.

A "tailor-made" service for establishing your company
in the region.

Meetings with experts throughout the year to accompany
your projects and enrich your networks.

A regional film commission to provide free assistance for
your shootings.

A technical support for associations to shoot with an
audiovisual equipment.
